EXCELLENT PROGRAM AT W. I. CONFERENCE

HEALTH LEGISLATION MAIN TOPIC

It was an exceptionally interesting program that was given at the Glen-chen Constituency Conference held in Strathmore United Church on Wednesday.

There were about 55 ladies present and from the opening number to the singing of the National Anthem, there was an atmosphere of keenest interest. Mrs. Geo. Thurston presided throughout and her own keen interest radiates to the audience and holds the attention of all in the discussions.

Delegates were present from Langdon, Nightingale, Calgary, Strathmore, Berta Vale, Serviceberry, Cheadle, Shouclie, Quesnstown, Cluny and Ardenode.

The Conference was to have been held at Langdon, but in view of the gas and the problems which made it difficult for some members at further away points to attend. The Langdon ladies compromised, by holding the meeting in Strathmore, they however being hostesses for the Convention. They arranged with the L.A. of Strathmore United Church who served an exceptionally delicious and bounteous luncheon and afternoon tea.

It was planned to hold next year's conference in Strathmore, the new branch. Berta Vale-Serviceberry being the hostesses.

The reports of the various branches show excellent programs being given through the year, and a very commendable amount of work being accomplished.

The report of Mrs. Chas. Kimmett, Convener of War Work, showed a splendid amount of Red Cross work accomplished. Articles of all kinds for sailors, soldiers, refugees, babies layettes, cash contributions to every fund quilts, jams, etc. Space forbids our printing this report in full, also a number of others which merit more than passing notice.

The Nightingale W.I. gave a dance from which the proceeds amounting to \$175.80 were given to the Red Cross. One Queenstown member has knit 153 pairs socks since November.

Mrs. Harriman's paper on Canadianization was full of helpful and important suggestions all could profit by.

A clever paper on Education by Mrs. W. Mercer stressed the value of modern education over the more obsolete forms of a few years back. Education is a continuous process throughout life in which the home, the church and the school each have their part. Mrs. Mercer explained briefly the benefits and drawbacks as it affects rural schools where it is difficult to procure sufficient books or equipment. The speaker stated that if any of the branches could donate some new books to the country school library, it would be a worthy and appreciate act.

MRS. THURSTON'S REPORT

The Women's Institute originated in Canada, has spread to Britain and many other countries and has been a great factor in uniting country women everywhere. It is non-sectarian and non-political.

The motto "For Home and Country" is the keystone of all our endeavors. The first health clinic in Alberta came into being as a result of pressure from the W. I. To-day public health is one of the major problems in this country. To-day the value of every

woman having a working knowledge of first aid because of the mechanization of farms and increasing use of airplanes is self-evident.

Mrs. Thurston closed her report by thanking the members for their cooperation and said that in her two years service, she had come to know more closely "the great human heart of us all".

Greetings from the Red Cross by Mrs. Patrick and a warm welcome to Strathmore was given by Mayor Hughes and Mrs. Buntain, pres. Langdon W.I. Mrs. Sommerville of Cluny replying very fittingly.

A solo by Mrs. Mercer was well rendered.

An up-to-date paper on legislation was given by Mrs. Nelson of Cluny.

Mrs. E. Albertson of Langdon sponsored a live quiz on Child Welfare, Malnutrition and public health.

This was followed by a health quiz and a very forward looking address on Public Health. What has been accomplished and how much still awaits action, by Mrs. F. G. Grevett, Provincial Convener.

The speaker discussed State Medi-

Annual Refresher Course And Convention

The fourth and most successful Refresher Course in Municipal Administration was held in the University Buildings, Edmonton, June 17th and 18th, and was concluded with the Annual Convention of Municipal Secretaries-Treasurers on June 18th.

The attendance - was exceptionally good considering the weather and road conditions which made it impossible for many to attend.

Some of the speakers and their subjects were as follows.

Hon. L. Maynard, Official Welcome; E. L. Gray, Wheat Acreage Reduction.

Deputy Minister A. Soutter and Staff Discussion of 1942 Legislation affecting Municipalities.

Prof. Hamilton, Development of time saving devices in Municipal Offices.

J. E. Brownlee, K. C., Municipal Administration.

W. S. Gray, Dept. of Attorney General. Municipal Forms, Bylaws, Etc.

W. H. Ross, Unemp. Ins. Commission. Hired help on farms.

Mr. W. H. Ross approached the gathering with a view to securing their help in solving the problem of hired help for harvesting in 1942 by way of

setting up offices in each district for registration purposes.

The Annual Banquet was held on June 18th at which Mr. H. L. Weir, Editor of the Edmonton Bulletin gave a very interesting review of the war to date.

Plans are already under way for the Refresher Course for 1943. These meetings are possibly the best source of information to a secretary as it enables him to exchange ideas with secretaries from all parts of the Province and is probably the only time speakers such as those mentioned, could be brought together. It is especially gratifying that these meetings are able to continue during war time as meetings of this kind tend to bring us closer together and in doing so we are able to discuss problems not only pertaining to local districts but to the country as a whole.

TO ALL CUBS AND SCOUTS—

A final rally for all the above will take place Friday, June 26th at 7:30 in Herb Harner's Hall.

The Strathmore School Cadets made a proud showing under the inspection of last Tuesday.

THE OUT-SIDE

● SALUTING

Looking back to the First World War we have memories of our own about saluting. In training we saluted vigorously and fervidly. On leave we saluted, but with something more of camaraderie, with more dash, with a touch of reckless abandon, even with "Brass Hats" on Whitehall. In France saluting was a duty reserved for "in billets" periods only. It reached its heights of perfection in the Guards and fell to its lowest form—was in fact negligible—with the Aussies. Indeed the customary salutation of an Australian private to an Australian colonel would as likely as not be "Hello Bill. Howzitgoing?"

● Old Lady (in aquarium)—"Can I get a real live shark here, my man?"

Attendant—"W-what for madam?" "Well, my neighbor's cat has been eating my goldfish, and I want to teach it a lesson."

● Rev. Dr. Peter Bryce, former moderator of the United Church of Canada—I was much interested in a recent speech by Capt. Lyttelton, in which he was discussing the question of post-war reconstruction. He is not an orator as he is sometimes halting in speech, but he is clear and concise in his statements, and his hearers understand what he means. "I suppose," he said, "by definition I was a capitalist, but if anybody asks whether there should be more socialism or more government planning after the war, my answer is that there should be a great deal more of both." It is said of him that if he is in a prominent position when the war ends and will undertake the inevitable task of social reconstruction, he will not be found on the side of those who resist innovation and change.

● Sacrifice—

I have already given two cousins to the war, & I stand ready to sacrifice my wife's brother rather than see the rebelyin krusht.

—Artemus Ward.

● Alberta members of Canada's reserve army will go to camp for two periods this year to receive instruction that will help to fit them for their vital task as key defenders of the shores of Canada. The larger units in Alberta will send half of their personnel to each camp, while smaller units will attend either the first or second camp. Approximately 3,000 Alberta soldiers will go under canvas the first period, July 4 to 18, and 2,900 the second camp, July 19 to August 2.

● Ralph M. Ingersoll, editor of the newspaper "PM," has been drafted and ordered to report for induction next Wednesday. The paper said its 41-year-old editor received his order Thursday, one day after he was notified by his local draft board that he had been classified as 1-A. "He won't appeal," the paper said.

● The Manitoba division of the Canadian Weekly Newspapers Association at its closing session in Winnipeg voted to circulate a weekly digest of news of the Manitoba legislature to all member papers, and that the digest should be kept free of political party comment.

● While most people recognize the call of the whippoorwill, few have seen the bird as it rarely flies in daytime.

MINISTER OF NATIONAL DEFENCE

OTTAWA.

To the Citizens of Canada.

It has been decided to mark the period from June 29th to July 5th, 1942, as "Army Week". The purpose is to give the people of Canada an opportunity of expressing their pride in the Canadian Army and honouring the Gentleman in Battledress, the Nursing Sisters and the Members of the Canadian Women's Army Corps.

During Army Week, citizens will have an unusual opportunity of seeing the Army at work. Each day has been set aside for some specific purpose. Monday, June 29th, for instance, has been made "Soldier's Day" when the public will be invited to send gifts and parcels to the men overseas and when they can entertain the men at dances and other special entertainments. The next day, June 30th, is "Civilians' Day". When civilians will be asked to prepare meals on a food ration system and restaurants will serve meals identical to those served to Canadian soldiers. On Dominion Day there will be garrison parades and special military demonstrations. The 2nd, 3rd and 4th of July will equally be devoted to enabling Canadians to learn at first hand various phases of Army activities.

Army Week will wind up on Sunday, July 5th, when the public will be invited to attend church services in Army camps and barracks, and special prayers will be offered for the members of the Armed Forces. On that day, camps will be open to the public and demonstrations and displays of barracks and camps will be arranged.

As Minister of National Defence, I am intensely proud of the men and women in khaki and of the women in Nursing Service blue who are serving Canada. I am sure that my fellow Canadians feel just as I do. I extend a most cordial invitation to all of you to express this well deserved appreciation by joining in the events of Army Week.

Yours very truly,

W. L. Mackenzie King

THRILLING HISTORY OF PASSENGERS ON REFUGEE SHIP

(Continued From Last Week)

There was one passenger we did not notice till the ship was a day out of Lisbon. His real name never appeared on the passenger list. He had been private secretary to a ruler of a European country, a man who had just disappeared when Hitler took over the country by force and treachery. This man had been active in his opposition to Germany and he had kept one step ahead of the Gestapo, getting to Lisbon at last, though it took him two years to reach it.

Perhaps he grew careless, or his luck deserted him there. The German crowd in Portugal found him and had him arrested on some charge. But the British were alert. The day the Excambion sailed, he got out of jail somehow and was nailed up in a packing box. It came aboard with a shipment of goods, under the eyes of the Portuguese police. For a day, he stayed down in the hold, then came on deck, a free man again. At Bermuda he left the ship, to land on British soil at last.

By comparison with this man, our

real live Prince of the House of Bourbon, pretender to the throne of France and a French Admiral going to join the Free French, seemed ordinary indeed.

High Regard for Secret Service—

It was at Bermuda that the British Secret Service took a big jump in our estimation and the Canadians had a chance to stick their chests out a little farther.

The arrival of the Excambion at Bermuda was exciting enough. The negro pilot came out in his little launch and boarded the ship just before dark. Bermuda consists of a small group of islands, strategically situated in mid-Atlantic, with Hamilton the chief city. To get to Hamilton harbor, the ship had to pass through a long bay strewn with mines. The open path was a zig-zag affair and the ship moved slowly from one marker to another, the searchlights continually moving over the other. One mistake there would be just too bad.

In the harbor at last, word went around that the Canadians were free to go on shore, along with the King's

messenger, but all others must stay on board for search and questioning. It was Bermuda's rainy season and the water was pouring down in torrents, and I had seen Bermuda before, so I stayed on board and watched proceedings.

The ship was taken over completely by the British, by agreement with the ship owners, of course. All mail was taken ashore to be censored. All alien passengers were herded on to the after deck until their turns came. It was an interesting process. The person questioned sat at a little table. A naval officer conducted the investigation in French, German or whatever other language the passenger understood best, while a girl from the censorship staff took down every word in shorthand in that language.

It soon became apparent that these men and women knew an amazing amount about our fellow-travellers—more than we had learned in a week with them. And they knew the silties in Europe whence they came, and could detect the flaws in their stories. It was a thorough inquisition, which only the British subjects and those few Americans in the diplomatic service escaped, and it took most of the night. When it was done, we knew how the British cut check up on the damage done by bombing and can collect other scraps of interesting and valuable information.

No doubt, the United States has also benefitted from this thorough-going system as well. Some of the Canadians were a bit doubtful about several of the passengers. There were two men, both with English-sounding names (and passports but supposed to be escaping from France to the United States. One of them pretended to be a pacifist and quoted A. A. Milne poems to the children on board and the other one got drunk on the last night on the ship and started to recite about Germany's might and the uselessness of holding out any longer against her. It was Dave Rogers to whom he was opening out and our Western friend called us over to hear it, and we felt like heaving the man overboard. Perhaps we should have done it, but maybe he is in an internment camp south of the border by this time. If not he is a distinct menace to the nation.

After the Excambion left Bermuda there seemed to be no more danger. That was before German submarines were operating close to the coast, so there was a chance to relax. On the last Monday morning in October, we sailed past the Statue of Liberty and past the skyscrapers of New York to disembark finally on the New Jersey Shore.

That night, I was back at La Guardia Airport, outside New York, the place from which the trip had started six weeks before. But this time it was not the Clipper but a trim Trans-Canada plane that took me up over New York. The plane took a route directly over the heart of the city, where millions of lights shone, in contrast to the blacked-out towns of Britain and Europe. Two hours later, I could see the lights of Toronto and the long highway to Hamilton, still lighted in those days. The big thrill of the trip was to be able to step out on Canadian soil again. Never before did Canada seem so good. It wasn't because it was safe here, but because this was part of the great British Empire. Never before did that seem so important.

HAS DRIVING POWER

Southern Rhodesia has a Churchill on wheels. The railway shops at Umtali named a locomotive after the British Prime Minister. It is a switch engine noted for power, rugged appearance. Workers now propose to name a mainline locomotive after Churchill.

The regular meeting of the Junior U. F. A. was held at the home of Gordon Rasmussen, Gordon has recently returned from Young People's Week in Edmonton where he was a delegate representing the Standard local. He was awarded first prize in the grain judging contest and was also elected District Convector for Bow Valley.

The C. G. I. T. held their annual Mother and Daughter banquet in the basement of Danish Lutheran Church Saturday, June 13. The occasion was a most enjoyable one. Hilda Hansen gave the toast to the Mothers; Mrs. S. Rasmussen replied. Carolyn Dahl gave the toast to the Church. Out-of-town guests were Misses A. L. Howson and Mae Fleming of Calgary, and Miss June Smith of Strathmore, all former teachers of Standard school.

Miss Rose Pederson and Miss Celia Myrthier left Saturday, June 13, for Vancouver where they will spend a two weeks vacation.

The monthly meeting of United Church Ladies Aid was held at the home of Mrs. A. C. Lind. A large crowd was in attendance and a great deal of Red Cross material and wool was distributed.

SCOUT NOTES

Southern Alberta Scout Seeds for British Scout Gardening — Nearly 450 pounds of Government approved vegetable seeds were shipped by Boy Scout troops in southern Alberta, as their part in the Dominion-wide Scout Campaign for seeds for British Scout "Dig-for-Victory" gardens.

5 Tons of Soldier-Reading Discards — After the sorting of a collection of books and magazines for soldiers' reading, the Boy Scouts of Windsor found themselves with five tons of old and dilapidated "discards." Sold as paper salvage, a substantial sum was realized and turned in to the Scout "China Up" for war distressed Scouts of Britain.

AIR FORCE NOTES

DO YOU KNOW:

THAT a "Mae West" is a lifebelt worn by aircrew.

THAT a "sortie" is an operation carried out by the Air Force against the enemy.

THAT the rank of "Squadron Leader" (R.C.A.F.) is equivalent rank to "Major" (Army) "Lieutenant Commander" (Navy).

THAT the R. C. A. F. needs young men (Grade X) for immediate enlistment as Wireless Operator-Air Gunners.

THAT Pilots don't talk of flying aerial combat planes but of clambering into a "crate" to go "upstairs" for a "look see".

THAT potential aircrew graduate from Initial Training School (I.T.S.) as Leading Aircraftsmen (LAC); they receive \$1.50 per day plus 75 cents flying pay.

THAT a Wireless Operator-Air Gunner is the "ears" of the plane, he is the man who tells the ground staff what's and in turn learns what's what from them.

THAT the average air craft has 15,000 parts not counting nuts and bolts. To the average engine there are another 5,000 parts.

THAT the R.C.A.F. needs young men (Grade XII) as potential Radio Technicians for immediate enlistment. THAT the R.C.A.F. has already had to supply 60,000 greatcoats, 150,000 uniforms, 112,000 pairs of boots, 400,000 blankets.

THAT a "Belly Landing" is when a pilot lands a "plane" without dropping the landing wheels. It is only resorted to in an emergency as it generally damages the plane.

THAT an aeroplane is said to "pancake" when it is brought down in a glide, levelled off above the ground and slowed down until it loses all flying speed and drops. Resorted to only

F. W. GERSHAW
 WRITES FROM OTTAWA

Why are we fighting the present war? One obvious answer would be to prevent the aggressor nations from taking possession of Canada. If that happened the way of life we have had would only be a memory and we would be under the heel of enemy overlords. Our lot might be worse and would not be better than that of the many countries already under Fascism. What has happened?

In Czechoslovakia, because one Nazi was injured and died, at least 600 people have been shot without trial and without mercy. Men in their prime young boys at the age of 20 and women often young mothers, have been ruthlessly destroyed to terrify people. From them has been taken life itself, the most precious possession. In one village, all the men were shot without mercy, the women and children were driven to horrors we know nought of and every building was levelled to the ground.

Labor Unions are gone, higher education is frowned upon, churches are used for other purposes other than worship and religion uprooted, branch and stem.

In Austria, says the Christian Monitor, People with even small incomes are taxed 25.5 percent. People are tortured and plundered. Nazi officers use their power to enrich themselves by seizing money, furniture, etc. Half the stores and restaurants of the once beautiful city of Vienna are closed and poverty and defection are widespread.

VICTORY is worth any sacrifice we may be called upon to pay.

We must look forward not to slavery but complete Victory and to the building up of a way of life that will never have the degrading agony of unemployment, where the first charge on the nations wealth will be the care of the young, the aged and the sick and lack of money will keep no child from getting the education for which he is fitted. Our supreme ambition must be to assure peace to the world and plain common sense for Canada!

TENDERS FOR ARMY EQUIPMENT

Life is the most precious possession of any mortal and he who lays it upon the altar is making the supreme contribution. In order to have our Canadian army, navy and airmen, the best clothed, best equipped and best protected men in the world, an efficient, watchful organization is working in

when making a forced landing on rough ground, in a forest or muskeg.

Canada. It is the Department of Munitions and supply, under the Honourable C. D. Howe. In addition to supplying Canadian forces, this department does a lot of buying for the allies, spending in all about four billion dollars a year. Some 17,000 tenders are awarded each month and 75 percent by bidding. There is no preferred list as anyone can tender and 95 percent of these contracts go to the lowest bidder. Price and time of delivery are the factors. If there is an urgency in getting the supplies, the firm able to produce the quantity and quality most quickly, may be chosen. Sometimes help is given if the tender is too low. If all the tenders are too high, in the opinion of the experienced experts, the price must be reduced before any purchase is made.

Every contract above \$2,000 must be approved by the Chief of the department; every contract above \$5,000 must also be approved by the Deputy Minister; every one above \$15,000 must be approved by the Cabinet of 17

members. Then all must pass the Purchasing Investigation Department. This group of business men search for weakness in contracts, see that there is no favoritism and see that the people get a dollar value for every dollar spent. Then the Cost Accountants check over the agreement and they are responsible to the Auditor General. Then there is a Parliamentary Committee made up of members of all parties who check and inquire into all War expenditure.

Firms can be proceeded against if they do not produce proper records. Such things as salesmen commissions, Bank interest, losses on other contracts and provision for dividends are not allowed at all in Target contracts. Then there is an Excess Profit Tax of 75 percent, a Corporation Tax with a minimum of 40 percent and the individual Income Tax from 20 percent to 92 percent to be paid on the earnings.

URGENT CALL FOR RECRUITS

An urgent call for 250 recruits for the 31st (Alberta) Reconnaissance Regiment now stationed at Sarcee Camp, was issued today by Lt. Col. C. F. Smith, officer commanding. The total strength of the unit to date is 588 made up of 18 officers, 290 other ranks (active) and 250 N. R. M. A. recruits.

An opportunity for young, aggressive Canadians to train in one of the most interesting units of the Canadian Army is offered by this regiment. It was pointed out that a unit of this kind provides for a high percentage of non-commissioned officers.

There is a special signal troop attached to the unit for which 50 men are needed. They will be trained to the same standard as members of the Signal Corps.

All recruits for this unit must be physically fit men, and anyone interested should contact a local civilian recruiting representative, or write to the officer commanding the unit at Sarcee Camp, Alberta.

While tea is Ceylon's most valuable export, rubber plantations cover a greater acreage.

COAL FOR NEXT WINTER It May Be Rationed

Shortage of coal in Alberta with its immense quantities seems almost unbelievable. But the Government and Coal Dealers inform us that many coal miners may soon leave for the armed forces, and others for industrial plants making war munitions; hence the shortage in trained men to bring out the coal.

Another adverse factor in the supply of sufficient coal, we are again informed by the Government, may be a shortage of freight cars, because these cars may be used for essential war work.

These cars and men are available now. They may not be next winter.

Hence the Government is urging people to order next winter's supply now and to take delivery as soon as possible. It is a drastic situation and one that will work hardship and inconvenience for many, but early action is advised to prevent suffering next winter.

Canada Acclaims Army; Tanks, Jeeps Trucks Roll in Army Demonstrations

PUBLIC GETS 'CLOSE UP' OF ALL BRANCHES OF THE ARMY DURING ARMY WEEK

Army camps, offering sensational demonstrations of Canada's armed forces in action, will be open to the public during Army Week, June 29 to July 5th. Canadians will see tanks in fighting formation, Bren gun carriers whirling over rough ground, jeeps and motorcycles dashing in manoeuvres, infantry companies in commando tactics, artillery demonstrations such as never witnessed by the Canadian people before.

Canadians from coast to coast will see the speed and specialization which have wrought such changes in modern warfare.

THE GAME

Let's play it out...this little game called Life,
 Where we are listed for so brief a spell;
 Not just to win, amid the tumult rife,
 Or where acclaim and gay applause swell;

Nor just to conquer where some one must lose,
 Or reach the goal whatever be the cost;

For there are other, better ways to choose,
 Though in the end the battle may be lost.
 And never mind the detailed "score's" report
 Of errors made, if each with dauntless soul
 But stick it out until the day is done,
 Nor wasting fairness for success or fame,
 So when the battle has been lost or won,
 The world at least can say: "He played the game."

She urged her hearers to promote a health policy that will ensure spirit enough to maintain a health legislation.

A "Book Quiz" was a very novel and interesting number arranged by the Langdon W. I. with Mrs Jesse supervising.

Handicrafts—The exhibit of various types of handicraft was a very excellent display, among the best ever shown by this Constituency, and the work of the Judges, Mrs Salt and Mrs Ovans of Calgary, was a difficult one. They awarded the prize, a silver cup, to the latest organized Institute, Berta Vale-Servicberry, they receiving 88 points, Nightingale 52, Langdon 45 and Cluny 40.

This Cup was donated by the T. Eaton Co., to be awarded each year to the group receiving highest number of points. There was some beautiful work exhibited. Among the war work

On display also but not in competition was a Damage Bag with a complete outfit for shipwrecked sailors.

Mrs G. P. Ovans of Calgary, after complimenting the ladies on their excellent exhibit gave a most interesting talk on the Handicraft Exhibits carried on in Calgary, and extended a warm invitation to visit the Display when next shown.

Mrs Salt presented the Cup to Mrs Al Morton, president of Berta Vale-Servicberry Institute.

A paper on Home Economics by Mrs Duncan Clark of Cluny was given in Mrs Clark's own inimitable manner. By turns witty, serious, practical or playful she made her points carry over to her audience.

A resolution re Sale of Liquor was brought in by Mrs. Albert Mercer. Owning to some previous action, discussion on this was left over for a future meeting.

Election of officers resulted in Mrs Thurston being elected by acclamation for a second term of two years amid hearty applause.

All conveners of committees agreed to carry on again with Mrs Stoodley as the efficient secretary.

BAINTREE

A delightful shower was held Wednesday, June 17, when about 15 ladies gathered at the Kramine home at Baintree to honor May Kramine, whose marriage to Alfred Sande of Saskatchewan, is an event of July 10. May was the recipient of many lovely gifts, for which she thanked the ladies in a few well chosen words. A happy afternoon was spent over the tea cups.

The Red Cross Bazaar held at the home of Mr and Mrs H. E. Johnson was a gratifying success. The grounds made a lovely setting for the tea

tables which were well attended. Many useful articles were purchased from the bazaar table. The sum of \$83.71 was taken in, the expenses for materials amounting to \$22.80, leaving a balance of \$60.91. After the Bazaar an anonymous friend donated \$5.00 which was very much appreciated. An event of great interest was the raffling of a quilt and a luncheon cloth. Mrs McParland of Strathmore taking home the quilt and Miss Nancy Fawkes of Namaka was the winner of the Luncheon cloth. We wish to thank everyone who helped to support a worthy cause.

Not Like Canadian Traffic

A colleague who was going to visit friends a few miles out of town bought a ticket at the station and as he was walking up the platform read on the cardboard the accusing M.O.I. question, "Is your journey necessary." It was not, and he felt guilty about it, but having sunk his capital, looked for a seat about the middle of the train. The train seemed to be half empty, indeed so empty that he was curious enough to walk its length and count the passengers. There was no passenger but himself.

W. Miller, William R. Clemons, Arthur Dunsmore and E. Cammer. Burial was in the family plot, Rockyford cemetery, with Jaques Funeral Home in charge.

**NATIONAL SELECTIVE SERVICE****CONTROL OF EMPLOYMENT**

★ **NO EMPLOYER HEREAFTER SHALL HIRE ANY PERSON, MALE OR FEMALE, WITHOUT THE APPROVAL OF A SELECTIVE SERVICE OFFICER IN AN EMPLOYMENT OFFICE OF THE UNEMPLOYMENT INSURANCE COMMISSION** ★

Whenever a vacancy occurs, or additional staff is required, or a lay-off of staff is anticipated, the employer shall notify the local Employment Office. He may engage only persons referred to him by, or approved by, the local Employment Office.

A local Selective Service Officer may revoke at any time, on not less than ten days notice, any approval granted by him.

Appeal from a Selective Service Officer's decision may be made in writing within ten days to the Divisional Registrar of the National War Services Board, and the decision of the Board shall be final.

EXCEPTIONS

This order does not include employment: (1) In agriculture, fishing, hunting or trapping; (2) Subject to the Essential Work (Scientific and Technical Personnel) Regulations, 1942; (3) In domestic service in a private home; (4) Of students after school hours or during holidays (but does include employment during Summer Vacations); (5) In part-time work which is not the principal means of livelihood; (6) Casual or irregular employment for not more than three days in any calendar week for the same employer; (7) Under the Government of any Province.

This order does not affect Re-employment: (1) Within not more than 14 consecutive days after the last day a person worked for the same employer; (2) After sickness or disability which caused the suspension of the employment; (3) On resumption of work after a stoppage caused by an industrial dispute; (4) In accordance with a collective labour agreement which provides for preference according to length of service or seniority; (5) On compulsory re-instatement after Military Service.

Until further notice from the Director of National Selective Service or a local National Selective Service Officer, any employer may temporarily engage any employee, if he submits within three days to a local office an application in duplicate for the approval of such engagement. Such application shall state the insurance book number, or the insurance registration number, (U.I.C. Form 413), name, address, age, sex, occupation of such employee, the name of his or her most recent employer, and the date he or she left employment with such employer.

Penalties for infringements of this order provide for a fine up to \$500.00, or imprisonment up to 12 months, or both fine and imprisonment.

★ **This order supersedes previous National Selective Service Orders respecting restricted and unrestricted occupations.** ★

Mrs G. H. Newton of Calgary is spending a vacation with her parents. At present she is visiting with a friend Miss D. Van der Velde.

Miss Olive Vanalstine spent the week end visiting with Mrs G. H. Newton and Miss Van der Velde.

Mr. and Mrs. Andrew Van der Velde left for the States early in May. Mrs Van der Velde underwent an operation at Rochester, Minn. They are expected to return during the first part of July.

Sgt. Wireless Operator R. A. Newton has arrived safely overseas, according to word received by his parents, Mr and Mrs R. A. Newton of Dalemead.

The annual McKinnon picnic was held Saturday, June 20. Everyone reported an enjoyable time.

A daughter Norma Jean was born to Mr and Mrs Collin Gibson of Dalemead recently. Congratulations Collin and Margaret.

Mrs Stanley Peterson has as her guest her mother Mrs McLeod of Calgary.

Mrs E. Colwell spent the week end with her daughter Mrs O. C. Hauswirth.

CHEADLE

by L. McL.

BRAVO CHEADLE—

There was much fun and laughter
over the auction sale held in Cheadle
on the evening of June 17th under
the auspices of the Community Club.
A \$5.00 bill went for \$6.25. Eggs and
roosters were resold with great vigor,
a fishing rod produced \$8.75, a pint
jar of apricots was resold three times
and netted \$19.50. Those in charge
were R. J. Russell, clerk; Lloyd Lewis,
auctioneer; Lee Welshimer and E.
Jackson. This enterprise caused joy
in the hearts of all taking part, for
\$71.00 was realized and handed over
to the Strathmore Branch of the Red
Cross.

The Branch from its view point ex-
presses hearty thanks, for as more
charities befall the world, so most
surely will more help be asked.

WEDDING

WELSHIMER—FLETCHER

Central United church was the scene
of an attractive June wedding when
Rev. M. E. Aitken united in marriage
Miss Hilda Fletcher, R. N., daughter
of Lieut. and Mrs. W. E. Fletcher of
Lindsay, Ont., and Mr. Merle Frank
Welshimer of Cheadle.

The bride was given in marriage by
Mr. A. M. Drake of Langdon. She wore
a white sheer gown and her chapel
veil was held in place with a wreath
of orange blossoms. She carried a
shower bouquet of Briarcliff roses
and swansons.

Miss Frances Woods of Gleichen
was bridesmaid, and her gown was of
tea rose sheer. She wore a matching
Juleit cap and her bouquet was of Tal-
isman roses.

Mr. Blair Field of Carseland was
the best man, and the ushers were
Mr. Lee Welshimer and Mr. Jack War-
ren of Cheadle.

Mrs. Phyllis Chapman Clarke play-
ed the wedding music, and during the
signing of the register, the bride's
mother sang "O Promise Me."

A reception for forty guests was
held at the Avenue Grill where Mrs.
Fletcher received the guests wearing
a Regina blue sheer gown, and a flow-
er trimmed hat. Her corsage was of
American Beauty roses.

Rev. Mr. Aitken proposed the toast
to the bride.

For travelling Mrs. Welshimer wore

(Compiled from the records of 651
Government and Searle Rain Gauges).

The total moisture condition for the
three prairie provinces, weighted and
averaged for both stubble and sum-
merfallow land on June 8th was 93
per cent of normal, as compared with
94 per cent last week and 89 per cent
at this time a year ago. On crops seed-
ed on stubble land, and which have
reserves from last fall and this cur-
rent season, the condition is now 100
per cent of normal, compared with
103 per cent last week and 88 a year
ago. On crops seeded on summerfal-
low and which have reserves of an ex-
tra year's rainfall, the moisture con-
dition now is 90 per cent, compared
with 91 per cent last week and 90 per
cent at this time a year ago.

The total moisture condition in Al-
berta on June 8th was 89 per cent of
normal, as compared with 90 per cent
last week and 80 per cent a year ago.
For Saskatchewan the total mois-
ture condition is now 87 per cent as
compared with 88 per cent last week
and 86 per cent a year ago.

For Manitoba the total moisture
condition is now 129 per cent, as com-
pared with 134 per cent last week and
128 per cent a year ago.

During the past week heavy rains
fell over southern Alberta, south-west-
ern Saskatchewan and over a wide
area in east-central and north central
Saskatchewan. All other areas on the
prairies received considerably less
than normal rainfall during the week.
A large area in central Alberta is
still badly deficient in moisture.

Wild roses grow in every province

WARNING!

If it is not already on its way to
Rationing Headquarters you should

MAIL YOUR APPLICATION CARD FOR COUPON RATIONING AT ONCE!

After July 1st no one will be able to purchase sugar for regular domestic use without turning in a ration coupon.

Application cards for coupon rationing for sugar have now been mailed to every household in Canada. But, in an undertaking so vast, some homes may have been missed, or some cards may have gone astray. So, no matter where you live, whether it is in areas served by letter carrier or not, if your application card is not already on its way to Rationing Headquarters, you should wait no longer.

After filling in the card, according to the instructions on the pamphlet which was delivered with it, just drop the card in the nearest mail box or post office. It needs no forwarding address.

IF YOU HAVE NOT RECEIVED AN APPLICATION CARD you should get one at the nearest Post Office at once.

The ration cards being issued for use July 1st are for sugar only, and good for 10 weeks. At the end of that period a coupon ration book good for 6 months will be issued. Under the new system of coupon rationing, you are allowed the same

amount of sugar as at present— $\frac{1}{2}$ lb. per person per week. The same provision as at present for

additional quantities for preserving and jam and jelly making will be continued. Special voucher forms for this purpose are being supplied all retailers.

Examinations are the chief topic for students throughout the land who are writing this week. The number grows fewer as more students are now promoted on the recommendation of the teacher. That honest consistent work throughout the year is preferable to last minute cramming for examinations is unquestionably more wise. It does place a very heavy onus on the teacher however.

Mrs Leslie Pearson's artistic home was the rendezvous for a number of ladies last Friday afternoon when she entertained at a Dessert Bridge. Pretty Spring flowers gave a very cheery touch. Following a delicious luncheon Bridge was played at five tables, in which Mrs C. Cockx and Mrs Jas. Gannon were the fortunate prize winners. A very happy afternoon was enjoyed.

CARSELAND

Monday evening a group of Carlsland friends gathered at the home of Rev. and Mrs Clegg to express their esteem and best wishes for happiness in their new field. Unfortunately Mr and Mrs Clegg were detained in Calgary and were not present. The guests however left as token of their good will a very beautifully designed Scriptural Motto, mounted on a Plaque, Mr and Mrs Clegg are delighted with the gift.

Tuesday afternoon at the home of Mrs Kennaugh the mothers and pupils of Miss Violet Hyde gathered for a social afternoon, and to tender their good wishes to Miss Hyde. On behalf of the pupils and parents Miss Violet Peterson presented Miss Hyde with a very beautiful Linen Luncheon Set. Violet in a few remarks expressed her sincere appreciation.

Tuesday evening Mrs Stinson's home was the scene of a gathering of a number of the ladies, when Mrs Clegg was presented with a beautiful Chenille Bed Spread and Miss Zerah Clegg with a fine music case. A happy social evening was enjoyed.

The annual picnic of the McKinnon Family was held at the McKinnon ranch, Dalemead on Saturday last, June 20th. Considering the weather conditions there was a good crowd, including many of the old timers of the district, but it was cold and cloudy with scarcely any sunshine and people were muffled up in their overcoats and furs. Notwithstanding everybody had an enjoyable time, eating and chatting. Sports included racing, etc., for the kiddies; horseshoe and baseball games in which two male members and one female member of the Air Force participated. The Bucking Horse contest created roars of laughter. Peanuts were distributed among the crowd and a registration of those present was made by Mr Newton.

Farewell services will be conducted by Rev. R. Clegg on Sunday next, June 28th at Dalemead, 10:30; Carlsland 12 noon and Mossleigh 3:15 p.m.

WEDDINGS

MOORE — COOK

The home of Rev. A. E. Cooke, pastor of St. John's United Church, Vancouver, B. C. was the scene of a quiet wedding which took place at 6 p.m., June 3rd when Norma Edith Cook, second daughter of Mr and Mrs J. C. Cook, Calgary became the bride of Harry Thomas Moore, younger son of Mr and Mrs A. M. Moore, early settlers of Carlsland district.

The bride wore a blue afternoon frock of dusty pink crepe with draped rose turban and biege accessories. Her corsage was gardenias, small pink tea rose and violets. Miss Grace Norland of Vancouver was the bride's only attendant and wore an afternoon dress in blue with biege accessories. Her corsage was pink carnations and bachelors buttons.

The groom was attended by Frank Watson, former of Calgary.

Following the ceremony Mr and Mrs Moore left by boat for a short honeymoon at Bowen Island.

For travelling the bride wore a wool suit in luggage tan with biege hat
